Monitor Time

Message from Monitor Mentor Norm

Monitors are needed. It is the responsibility of every MacsWest Club Member to volunteer in Computers West Room four hours per year.

What is required of monitors?

When a new member joins the Club, Membership Envelopes MUST have all the information completed or the new Member's Legibility is a huge necessity here.

As always, remember to bring something to do. It's a great time to do catch up on your reading. Got a laptop or tablet? Easiest way to sign up to Monitor is to click [HERE](#)

Monitor coordinator Norm says, "Please do not hesitate to email me (macscwgb375@gmail.com) with any questions, cc

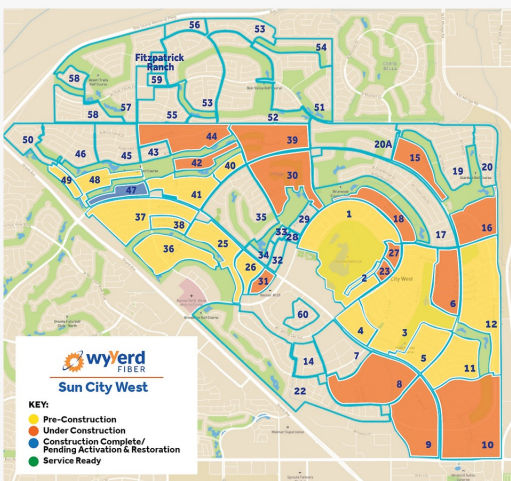

Thanks to all those that stepped up to help!
